

PROUDLY PRESENTS THE URBANIA.

Inspired by the latest trends, the Urbania revolutionizes the portable spas category with its ultra modern design. You will appreciate its high-end accessories such as the illuminated cascading waterfall, LED lighting, an additional set of LED mini lights and stainless steel finish jets.

The Urbania offers 6 ergonomical stations, including 2 captain seats and a lounge. Choose your seat according to the type of massage you are looking for through different seating depths and jets configuration.

The Urbania is a 4 season spa made by a Canadian manufacturer with many years of expertise in the portable spa industry. The Urbania has been rigorously tested in different winter conditions so you can enjoy your spa all year long.

Portable

4 season

Made in Canada

The Urbania is a 4 seasons spas. This product is designed by a Canadian manufacturer with many years of expertise in the portable spa category. The Urbania has been rigorously tested under various hivernal conditions so you can enjoy your hydrotherapy all year long.

URBANIA... FOR TIME WELL SPENT!

240V CONNECTION AND INNOVAFLOW... SENSIBLE CHOICES.

The Urbania spa is equipped with the **InnovaFlow** Eco-Energy Saver system, which means your heater will be much less solicted and will allow you to save money on electricity consumption.

And saving money is always good!
